

# corinthians sub 20 x fluminense sub 20 palpites

Finding a Telegram group on Android

- 1 Tap the search icon in the upper-right corner
- 2 Type the name of a group or topic that you want to find. You'll see results under Global Search. Tap Show more to view more results.
- 3 Select the group you want to join and tap the Join button to hop in.

How to create and find Telegram Groups

- 1 Type in what you're looking for - either an exact group name or keywords about what interests you.
- 2 Hit the Enter key. 3 Search results will be displayed under the "Global Search"
